

Two Buck a Block signups are closed for 2020 Watch for a new program starting in 2021

Thangles' 2020 Two Buck a Block program

We are continuing our popular Buck A Block program on January 2, 2020. This is in addition to the Saturday Sampler program. You can belong to one or the other, or to both. Because we cannot reorder the fabrics, we are closing the signups at the end of day on Feb. 1.

You will purchase one block kit each month for \$2.00 when you visit our shop (on any day during regular business hours). You'll sign up ahead, and we'll check your name off when you receive the block. If you can't come in during the month, you must purchase the block kit for each of the month(s) you missed for \$3.00 in order to be eligible for the \$2.00 block kits. You can't send someone else in to get your block for \$2.00—they can pick your block up, but it will cost \$3.00. We will be happy to send blocks to you as well. The price to send the blocks is \$3.00 each, plus \$1.50 postage. If you wish to purchase additional blocks, you can do so for \$3.00 each. One package of 2.25" Thangles is enough to do all 12 blocks (Thangles package is \$6.00).

The 9" block each month will feature two fabrics plus the background each month. You will get a strip of white, and a half strip each of green and a blue print. You will have a little left over each month so if you make a mistake one month, you can use leftovers from other months. You can finish your quilt however you want, but we will have a finishing option available to finish your quilt 63" by 78" with 12 fat quarters and the borders. We will also have several other sizes available to make your quilt larger.

FAQs:

Can I make a different size quilt?

You can make additional blocks with coordinated fabrics to make a larger quilt, or purchase more kits for \$3.00 each, or purchase more of the same fabrics. You can finish the quilt any size you want, from a throw to queen.

Do I have to bring the finished block in to get the next block for \$2.00?

Unlike our First Saturday Sampler, you don't have to bring the blocks in to get the next one for \$2.00. You just have to come in at least once each month to get the next block for \$2.00. However, you are welcome to bring the blocks in, especially if you have any questions. We're here to help you!

What if I want different colors?

You can purchase the kits and change the colors if you want (the patterns aren't available separately).

I haven't used Thangles before—is that a problem?

Each package of Thangles comes with complete instructions, and each month, the pattern will feature tips for using Thangles. By the end of the quilt, you'll be as hooked as we are!

How do I get started?

Sign up now! You can come in to the shop, or call, or e-mail. Come in once a month starting January 2, 2020 to get your block. You can pick it up during First Saturday, or any time that's convenient for you.
