2009 First Saturday Sampler Demonstration

Saturday, Feb. 7, March 7, April 4, etc. 8:30-11am
A new series starts February 2009

This year we are using Kaye England's Hoosier Connections—Indiana History in Patchwork. We will be making 12" blocks in two different colorways, Batik or Kansas Troubles. Like any quilting bee, we will get together once a month and share information on a particular technique, what's new, and other bits of information. The first time you come, you will pay \$10, which includes the first block and registration fee. Come back the next time and, if you have completed your block, you get the next one FREE!

Here's how it works:

- * We will open the doors at 8:30 on the First Saturday, starting February 7, 2009. You will pay \$10 the first month you come, then \$5 after unless you get it free.
- * When you come in from 8:30-11 on the First Saturday, you'll show your completed block at the door to get the free ticket (starting in March). Then you can go to the demo area, where there will be a display of new items, a small ongoing demonstration, and a staff member highlighting that month's block.

There are a few conditions:

- * If you want to make a block in both colorways, that's great. But, you only get 1 free kit a month. You must pay for the other one.
- * To get your free kit, you have to come yourself on the First Saturday between 8:30 and 11 am. No exceptions. Don't be late! Don't send someone else to get your block!
- * If you can't come one Saturday, you can buy that month's kit for \$5.00 while supplies last. You can call us and we'll be happy to save a kit for you. Bring it to the next month's class and that month's kit is free.
- * We will not make each month's kits indefinitely. Once the kits are gone, the pattern will be available for \$1.50 each month, and you can use your own stash. However, the block you bring back has to be from our kit to earn a free kit!
- * Both colorways are very scrappy, and we'll have a variety of fat quarters available each month to make extra blocks or scrappy borders. The fabrics might not be what's in the block, depending on the availability of the fabrics. Scrappy is great!
