## 2010 First Saturday Club

Saturday, Feb. 6, March 6, April 3, etc. 8:30-11am

A new series starts February 2010

This year we are using a terrific pattern by Lori Smith of From My Heart to Your Hands. We will be making 12" blocks in three different colorways: Batik, Thirties, or Reproductions. There will also be three different setting options for the blocks, and you will receive all three in April. **NEW FOR 2010:** You will register for the First Saturday Club ahead of time by paying the \$14.50 (+ tax) pattern fee. You have to register and pay the fee ahead of time to participate! We have to purchase the printed patterns ahead of time from Lori Smith, and we need to know how many to purchase!! You can start the Club any time after it begins, but we may not have a pattern for you for a week or so after you join—we will get you one!

Here's how it works:

- \* You will sign up by paying the pattern fee of \$14.50, hopefully before Jan. 22.
- \* We will open the doors at 8:30 on the First Saturday, starting February 6, 2010. You will pay \$5 the first month you come, then \$5 after unless you get it free.
- \* When you come in from 8:30-11 on the First Saturday, you'll show your completed block at the door to get the free ticket (starting in March). Then you can go to the demo area, where there will be a display of new items, a small ongoing demonstration, and a staff member highlighting that month's block.

There are a few conditions:

- \* If you want to make a block in more than one colorway, that's great. But, you only get 1 free kit a month. You must pay for the others.
- \* To get your free kit, you have to come yourself on the First Saturday between 8:30 and 11 am. No exceptions. Don't be late! Don't send someone else to get your block!
- \* If you can't come one Saturday, you can buy that month's kit for \$5.00 while supplies last. You can call us and we'll be happy to save a kit for you. Bring it to the next month's class and that month's kit is free.

Reproduction—78" by 78"  
Our quilt will have more colors and a red border

Batik—59" by 74"

\* All three colorways are very scrappy, and we'll have a variety of fat quarters available each month to make extra blocks or scrappy borders. The fabrics might not be what's in the block, depending on the availability of the fabrics. Scrappy is great!
