

Stash Buster Block Club

starts in January 2011

Here's a way to use your stash and make a 50" by 63" quilt, one row at a time. Join our new Stash Buster Block Club and get a block pattern each month for eight months, plus fabric to get your block started.

Order your pattern now and get ready to start this new club in January. The fee to join is \$19, then you just pay \$3 a month until August. The initial fee includes the pattern (you'll receive one block a month), three "twigs" (12" by 10" fabric) of your choice, and a coupon good any time during 2011 for 15% off regular price fabric to finish the quilt. It's a one time coupon, so feel free to include extra fabric bundles for your blocks.

Each month, you'll pay \$3 and get the next pattern plus 3 more twigs to get that row going. Feel free to use up your stash, purchase extra "twigs" or fabric bundles, or trade with your friends to get the variety you want. We will concentrate on Civil War fabrics for our "twigs", but are open to other suggestions you might have as well.

There is an option for an 87" by 101" quilt that uses the same bigger versions of the same blocks. Let us know if you prefer this size when you sign up.

In the fall of 2011, we'll have a get together to show off what we've done. If you joined the club, you get to come! And maybe the thought of showing what you've accomplished will be an incentive to get your top pieced.
