

Girls' Night Out and the Morning After (GNOMA)

We're making a few changes to our long running Thimbleberries Club for 2010. As always, we'll be demonstrating new products and highlighting new fabrics at each meeting, and you'll get sneak peeks at trunk shows and the latest quilts and kits. You'll also have a choice of several large year-long projects, monthly small projects (with recipe!), and a different ruler demo with pattern each month.

Large Project:

You can choose one or more of our large Block of the Month projects: Women of Influence, Civil War Tribute, Marti Michell's Medallion L, and/or Across the Wide Missouri. Details for Block of the Month programs are on the web site on the Block of the Month page..

Small Project:

We're doing a new program from FabShopNet called Sew Sweet Shoppe. Each month you'll get a free pattern for a cheerful project and a matching recipe. We're choosing bright, cheerful fabrics for these projects.

Ruler Demo:

Marti Michell makes wonderful rulers and templates, and we'll be starting a Marti and Me segment of our Club demonstrating a different product each month. Marti is designing patterns to go with each of her rulers for this demo, and they'll be available at a special Club price.

You'll get all three programs rolled up in one club! You don't have to participate in the large project if you don't want to, but you'll get the Sew Sweet Shoppe patterns and recipes every month.

Club meetings are the third Wednesday of each month at 6:30 pm, and the following day, Thursday at 10 am. The fee is \$24 for the year.
